Attachment #6  
OSA 0246-69

ANNEX VI

COMMUNICATIONS

I. Existing Facilities:

Communications services are available to the Detachment Commander through facilities established for activities. Hours of coverage and other operational details will be supplied by the Project Support Office. 25X1A2g

II. Modus Operandi:

The Communications Officer on the staff of the Project Support Office will advise regarding message formats, headings, cryptonyms, etc., as well as restrictions and capabilities of the associated communications network.

III. Releasing Authority:

The Detachment Commander and a designated alternate will be accorded cable releasing authority. Specimen signatures will be filed with the Communications Officer.
